1. Resolution 1 – Approval to dispose of 10% interest in Fairway Project

1.1 Background

On 26 February 2014, the Company announced to ASX a placement of a total of 120,000,000 Convertible Notes to sophisticated and professional investors and certain overseas investors, each with a face value of \$0.05 raising gross funds of \$6,000,000. The placement was undertaken in two tranches as follows:

- (a) a placement of 66,000,000 Convertible Notes with a face value of \$0.05 per Convertible Note to raise \$3,300,000 (**Tranche 1**), which was completed on 7 March 2014; and
- (b) a placement of 54,000,000 Convertible Notes with a face value of \$0.05 per Convertible Note to raise \$2,700,000 (**Tranche 2**), which was completed on 14 April 2014.

Shareholder approval for the ratification of the issue of Tranche 1 Convertible Notes and approval to issue the Tranche 2 Convertible Notes was obtained at a general meeting of Shareholders held on 4 April 2014 (**General Meeting**).

The Convertible Notes are secured by a charge over the Company's interest in the Fairway Project under the terms of a specific security deed entered into by the Company and the Security Trustee as trustee for the Noteholders, dated 25 February 2014. The full security will be extinguished when the Convertible Notes are converted or repaid in full.

On 25 February 2014, the Company and the Security Trustee entered into the Security Trust Deed pursuant to which the Security Trustee agreed to hold all right, title and interest in, to and under the documents granting security over the Fairway Project on trust for the Noteholders.

A summary of the terms of the Convertible Notes is set out in Annexure 1 of this Notice of Meeting.

1.2 Proposed disposal of 10% working interest in Fairway Project

The Company currently holds a 60% working interest in the Fairway Project (in all but one tract, in which the Company holds a 45% working interest).

On 8 May 2014, the Company announced that it had entered into a letter of intent with Victory Energy Corporation (**Victory**), a managing member of Aurora Energy Partners LLC (**Aurora**) pursuant to which the Company has agreed to sell, and Victory has agreed to

purchase, a 10% working interest in the Fairway Project which is held by the Company's wholly-owned subsidiary TELA Garwood Limited, LP (**Letter of Intent**). The sale will be to Aurora, which is a related party of Victory.

The material terms of the Letter of Intent are as follows:

- (a) (**Conditions Precedent**): The Letter of Intent is conditional upon the satisfaction (or waiver) of the following conditions precedent on or before 15 July 2014:
 - (i) Victory undertaking due diligence on the Fairway Project (to its sole satisfaction);
 - (ii) The approval of Target's financial relationships, which includes obtaining the approval of the Noteholders;
 - (iii) Victory obtaining final management approval based on satisfactory due diligence results; and
 - (iv) Execution of a definitive purchase and sale agreement.
- (b) (**Consideration**): Victory shall pay to TELA Garwood Limited, LP cash consideration of US\$5,985,059, which amount may be adjusted if BOA North #4, currently being completed, is not a producing Fusselman well.
- (c) (**Settlement**): Settlement may be completed in two tranches with over 70% of the funding to occur on or before 5 June 2014 and the balance by no later than 30 June 2014. Title to the 10% working interest in the Fairway Project shall be held in escrow until the consideration has been paid in full.
- (d) (**Termination**): Either party may terminate the Letter of Intent if completion of the transactions contemplated by the Letter of Intent has not occurred by close of business on 15 July 2014.

Following completion of the definitive purchase and sale agreement contemplated by the Letter of Intent, the Company will retain a 50% working interest in the Fairway Project (in all but one tract, in which the Company will hold a 35% working interest).

1.3 Effect of the Resolution on Noteholders

The proposed sale of a 10% working interest in the Fairway Project (**Proposed Sale**), will impact the Noteholders' security over the Fairway Project.

The Proposed Sale will result in a reduction in the assets securing the Convertible Notes. Accordingly, subject to Noteholder approval under this Resolution, following completion of the definitive purchase and sale agreement contemplated by the Letter of Intent, the Convertible Notes will be secured by a charge over the Company's remaining 50% working interest in the Fairway Project (in all but one tract, in which the Company will hold a 35% working interest), rather than by the 60% working interest in the Fairway Project (in all but one tract, in which the Company holds a 45% working interest) which the Company currently holds.

The effect of the Proposed Sale is that, in the event that the Company defaults under the terms of the Convertible Notes, the Security Trustee, on behalf of the Noteholders, can only enforce the security over the Company's 50% working interest in the Fairway Project (in all but one tract, in which the Company will hold a 35% working interest).

Noteholders should be aware that if Resolution 1 is passed, the Security Trustee will be authorised to make such consequential amendments or variations to the Transaction Documents as are necessary to complete the Proposed Sale.

It should also be noted that if Noteholders do not approve this Resolution 1, the Proposed Sale will not go ahead and Convertible Notes will remain secured by a 60% working interest in the Fairway Project (in all but one tract, in which the Company holds a 45% working interest). If this occurs, the Company may need to source alternative opportunities or methods of funding continued drilling and production activities on the Fairway Project.

This meeting has been convened at the request of the Company.

1.4 Partial Redemption Offer

The Company will make an offer to each Noteholder pursuant to which the Noteholder is entitled to redeem up to 1/6th of the face value of the Convertible Notes it holds (**Partial Redemption Offer**).

The Partial Redemption Offer will only be made if Resolution 1 is passed and following settlement of the Proposed Sale pursuant to the definitive purchase and sale agreement contemplated by the Letter of Intent.

The Partial Redemption Offer is not an "Early Redemption" in accordance with clause 8.1 of the terms of the Convertible Notes. However, the Company will comply, to the extent practicable, with the terms of the Convertible Notes as though the Partial Redemption Offer was an "Early Redemption", and as such the Company will issue Options to those Noteholders who accept the Partial Redemption Offer in accordance with the terms set out in Annexure 1. The Company will issue one Option for each Convertible Note redeemed.

Furthermore, after receiving a Partial Redemption Offer, a Noteholder may give the Company a conversion notice pursuant to which the Noteholder may convert some or all of its Convertible Notes, the subject of the Partial Redemption Offer, into Shares. Any Shares issued on conversion of Convertible Notes will rank equally with the Company's existing Shares on issue.

The "Early Redemption" provisions contained in the terms and conditions of the Convertible Notes require that an "Early Redemption" may only be made for a minimum amount of \$10,000 and in integral multiples of \$10,000. However, given the Partial Redemption Offer is not an "Early Redemption" and due to the relatively small size of the Partial Redemption Offer, the Company will waive the requirement that a redemption may only be made for a minimum amount of \$10,000 and in integral multiples of \$10,000. Accordingly, a redemption pursuant to the Partial Redemption Offer may be made for any amount (rounded to the nearest whole Convertible Note) with no integral multiple requirement.

Any redemption under the Partial Redemption Offer will be made together with any unpaid or overdue interest accrued on the redemption date.

Shareholder approval for the issue of Options to Noteholders on early redemption of the Convertible Notes was obtained at the General Meeting. Accordingly, the issue of the Options to the Convertible Noteholders on acceptance of the Partial Redemption Offer will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

1.5 Noteholder approval

Clause 7.4(e) of the Security Trust Deed provides that the Security Trustee must, if so instructed by the Noteholders by way of a special resolution, release or discharge:

- (a) any specified security document in full; or
- (b) all or any specified assets from any specified security document,

but must not release or discharge security documents unless required by law or by the express provisions of a specified transaction document to do so.

Under clause 9.14(a) of the Security Trust Deed, Noteholders have the power, by special resolution to, amongst other things, sanction any modification or compromise or arrangement in respect of the rights of Noteholders against the Company and to sanction or allow the Security Trustee to amend or vary a Transaction Document.

Resolution 1 seeks Noteholder approval for the Company to dispose of a 10% working interest in the Fairway Project and thereby release a 10% working interest in the Fairway Project from the security documents and a corresponding modification to the Noteholders' right to enforce the security securing the Convertible Notes against the Company's working interest in the Fairway Project. Resolution 1 also seeks Noteholder approval to sanction and allow the Security Trustee to make such consequential amendments or variations to the Transaction Documents as are necessary to give effect to the Proposed Sale.

1.6 Directors' recommendation

Chris Rowe, a Director of the Company, holds an interest in Convertible Notes.

The Directors, other than Chris Rowe who has a material personal interest in the Resolution, recommend that Noteholders vote in favour of Resolution 1.
